

# SCUFF-TEC

Scuff Resistant Paint with a Smooth Silk-Like Finish

## SMOOTH, SILK-LIKE FINISH

### SCUFF-TEC PAINT (Smooth Silk-Like Finish)

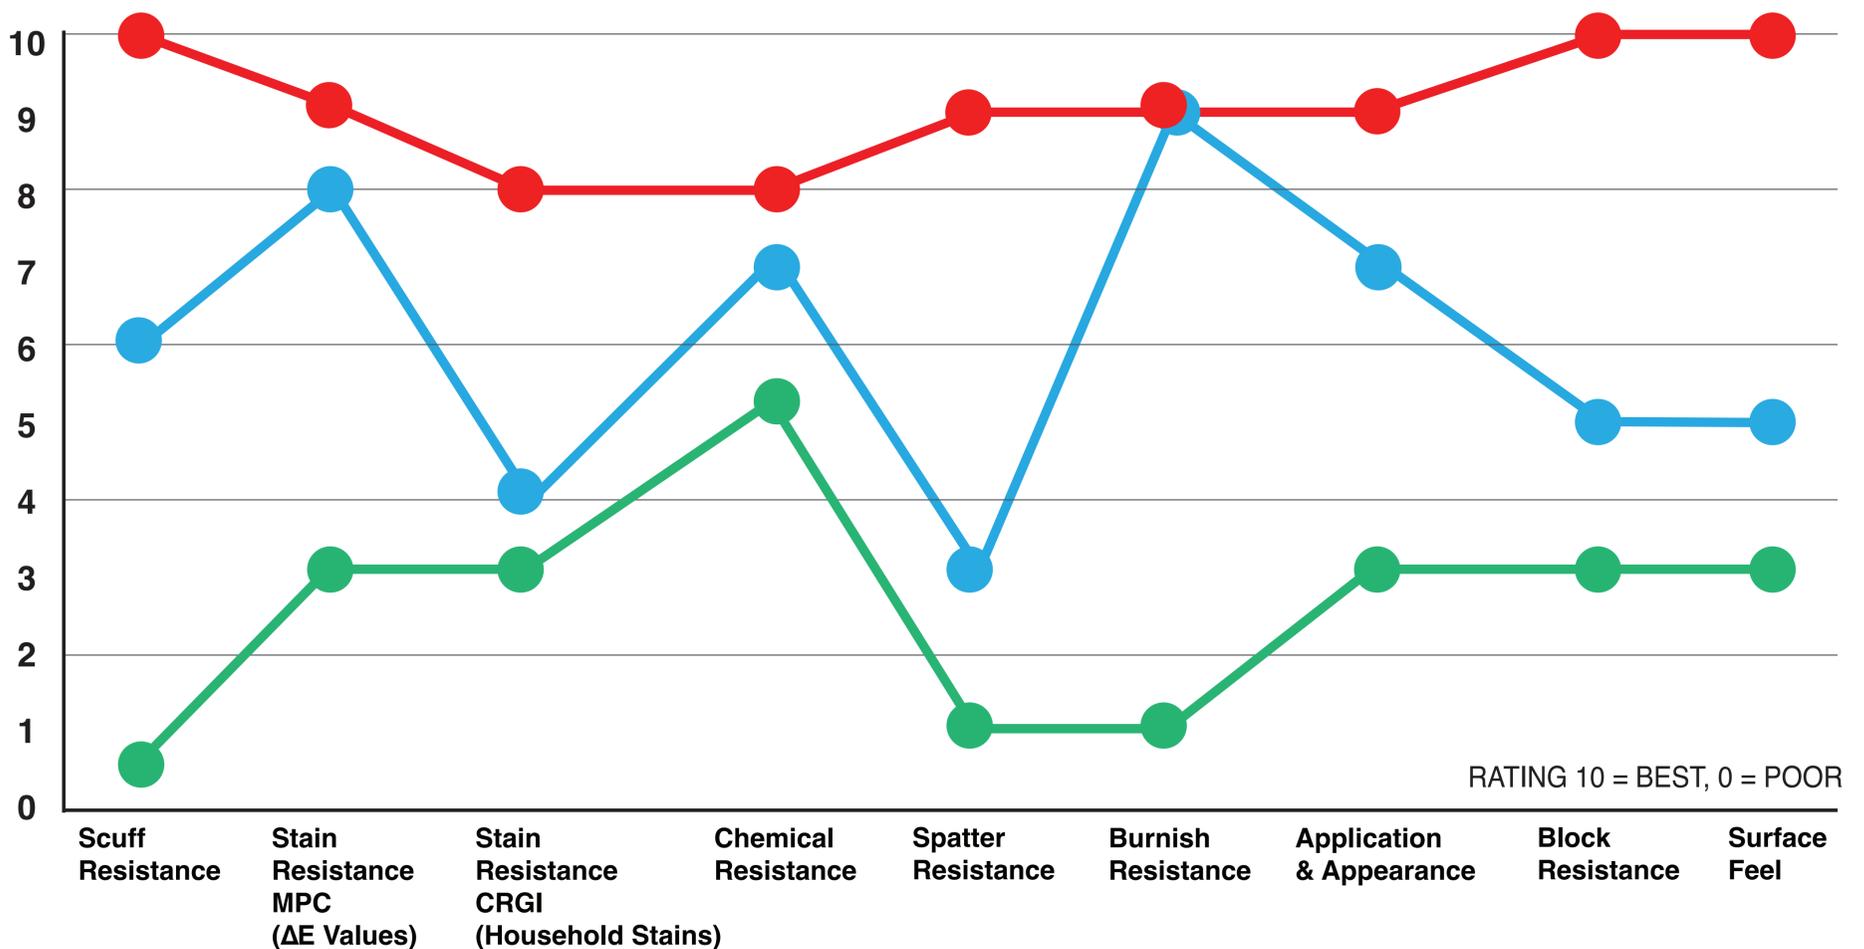

is an intricately crafted, premium plus, interior/exterior paint featuring **Scuff-Resistant Technology** that makes it washable, stain and scuff resistant, with a smooth silk-like finish. **SCUFF-TEC PAINT** can be used as a \*paint-and-primer in one, has excellent wash and scrub properties, resistant to household and light industrial chemicals, quick dry, great touch-up, easy application, and is spatter resistant. Environmentally the technology is low VOC, low odor, **NON-EG Certified**, with anti-microbial properties.
